

ONESOURCE Property Tax **Help your real estate investments grow**

ONESOURCE® Property Tax software can reduce your real estate taxes and overall operating expenses. With ONESOURCE Property Tax you don't have to worry about keeping up with jurisdictional changes and tax errors due to limited research time. We provide you the tax compliance and management information you need to save your tax department time and money.

Real estate powered by real efficiency

- Send automatic notifications to your team members.
- Calculate your monthly accrual expense and liability balances.
- Centralize and track your assessments and bills for a simple and complete audit trail.
- Pull reports to track and manage your process.
- Provide your third-party consultants with secured rights.

Successful property tax management requires an effective tool. More than half of the largest real estate investment Trusts across the country use ONESOURCE Property Tax to manage billions of dollars in real estate assets each year. Contact us to see how we can help you overcome the challenges of managing your properties and focus on the more pressing tax issues you face every day.
